

Exercice 1

Construire la symétrique de chacune des figures par rapport au point O en utilisant le quadrillage :

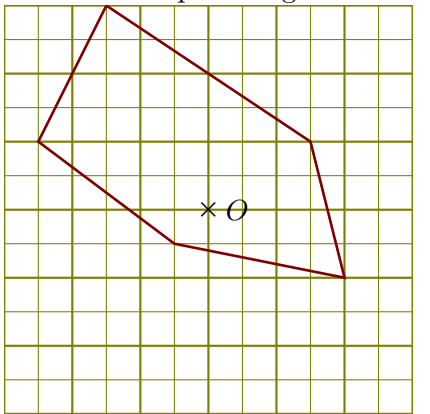

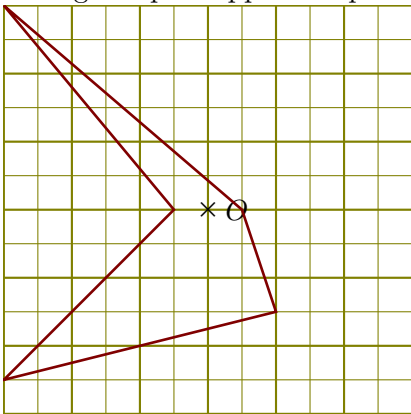

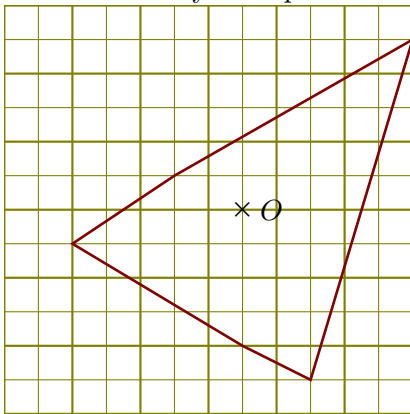

Exercice 2

Construire la symétrique de chacune des figures par rapport au point O en utilisant le quadrillage :

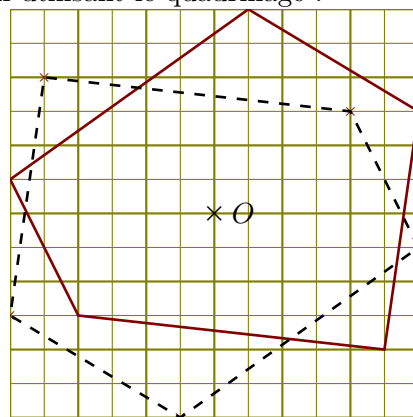

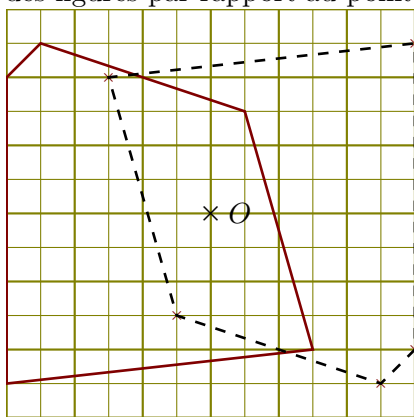

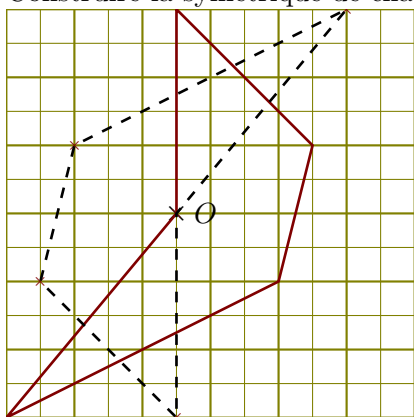

Exercice 3

Construire la symétrique de chacune des figures par rapport au point O en utilisant le quadrillage :

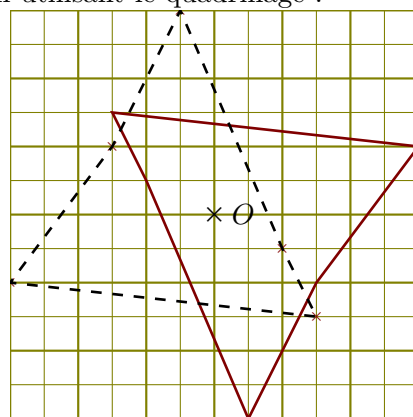

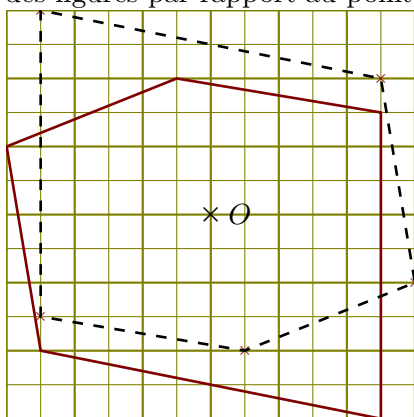

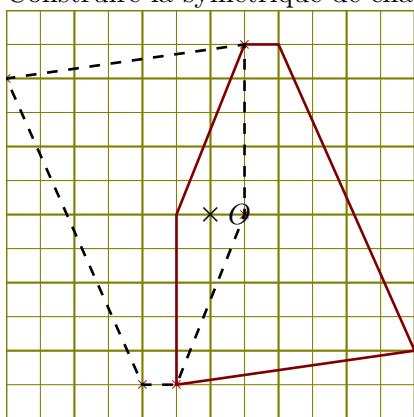

Corrigé de l'exercice 1

Construire la symétrique de chacune des figures par rapport au point O en utilisant le quadrillage :

Corrigé de l'exercice 2

Construire la symétrique de chacune des figures par rapport au point O en utilisant le quadrillage :

Corrigé de l'exercice 3

Construire la symétrique de chacune des figures par rapport au point O en utilisant le quadrillage :
