

**I - Comprehension (6 points total)**

My name is Ali and I'm a secondary school student. My favourite drink is water because it's very healthy. My favourite food is pizza...especially cheese pizza! My favourite singer is Omar who lives in my favourite country: Morocco. His song about Casablanca is my favourite! Majdouline is my sister. Her favourite food isn't cheese pizza because she doesn't like cheese. So every time we go to Freddie's Pizza restaurant for dinner, she eats a hamburger.
